## Summer Technology & Entrepreneurship Program

July 3rd - August 11th  
9:00am to 2:00 pm  
@ Bethune Center  
140 Martin Luther  
King Dr,  
Jersey City, NJ 07305.

# Summer Technology & Entrepreneurship Program

**This is a six week summer education program for High School Juniors and Seniors which will give you an opportunity to build hands-on technology skills through learning how to build a business from scratch. Students will create their own business and build the basic website, learn how to market the product or service and establish social media presence.**
